## **Adult Submissions**

Please read through the following steps as to how to submit you.  
Thank you for your inquiry

1) Please go to the Website at [www.farrelltm.com](http://www.farrelltm.com).

2) If you have had some to extensive experience with in this industry, click on the “Submissions” tab on the home page. This page explains what we do for readings & what you will need to have prepared. Towards the bottom of that page there is an information sheet that you can click on & print out. Please fill it out & mail it to the address on the top of the sheet along with a picture (can be a formal 8 x 10, 35mm picture, Wal-Mart / Sears type photo, digital, etc.) & resume of what you have done that is industry related (theater, classes, commercials, etc.).

Do not send email files – mail it via the post office.

The picture should be current & one you do not need returned. We set up readings every couple months & will call you to schedule a time to come in to read. If you have not had enough experience to warrant you to come in & read, we’ll keep your information on file & call you for auditions that your experience level is appropriate for.

3) If you don’t have any industry background, click on the “Extras Casting” tab on the home page. This page has an information sheet that you can click on & print out. Please fill it out & mail it to the address on the top of the sheet. Please include 4 – 6 current pictures of yourself that you do not need returned along with a resume if you’ve done some things with in the industry. The pictures can be copies of the same one or a variety of different shots such as an 8 x 10, 35mm picture, school picture, Wal-Mart / Sears type photo, digital copy, etc. We need to have hard copies to send to clients when they request pictures prior to an audition or when we are casting for extras.

Do not send email files – mail via the post office.

We will keep your information on file & call you for auditions / extras work that you would fit or as you are requested. Please up date your submissions about every year with all of the same requirements & information as listed above. Please note on the paperwork that it is an up date for a previous submission. This will help us keep our files current.

4) There is no fee for you to be listed with us. We do take a commission if you book a job. Note: We only include pictures of signed actors & actresses on the Website due to space constraints.
