Child Submissions

We do represent children of all ages, although there is not as much work for them as adults. We like to keep them on file for the occasions when we do have a call for them.

Please read through the following steps as to how to submit your child.

Thank you for your inquiry

1) Please go to the Website at www.farrelltm.com.

2) If your child has had enough experience & is old enough to come in to read, click on the “Submissions” tab on the home page. This page explains what we do for readings & what they will need to have prepared. Towards the bottom of that page there is an information sheet that you can click on & print out. Please fill it out & mail it to the address on the top of the sheet along with a picture (can be a formal 8 x 10, school picture, Wal-Mart / Sears type photo, digital, etc.) & resume of what they have done that is industry related (theater, classes, etc.).

Do not send email files – mail it via the post office.

The picture should be current & one you do not need returned. We set up readings every couple months & will call you to schedule your child to come in if he/she has enough experience. If not, we’ll keep them on file & call them for auditions that their experience level is appropriate for.

3) If your child doesn’t have any industry background or is a baby / young one, click on the “Extras Casting” tab on the home page. This page has an information sheet that you can click on & print out. Please fill it out & mail it to the address on the top of the sheet. Please include 4 – 6 current pictures of your child that you do not need returned with the child’s name, date of birth, month & year the picture was taken listed on the back of each one. The pictures can be copies of the same one or a variety of different shots such as a school picture, Wal-Mart / Sears type photo, digital copy, etc. We need to have hard copies, especially with the little ones, to send to clients when they request pictures prior to an audition.

Do not send email files – mail via the post office.

We will keep them on file & call them for auditions that they would fit or as they are requested. Please up date your submissions about every 6 months to 1 year with all of the same requirements & information as listed above. Please note on the paperwork that it is an up date for a previous submission. This will help us keep our files current. They change so fast – it’s good to keep them current.

4) There is no fee for children to be listed with us. We do take a commission if they book a job. Note: We don’t include the “tiny ones” pictures on the Website because they just change to quickly.
